

Open 360 | Reviewing Participant Answering Status

1. Reviewing participant answering status

If you would like to review how many participants have answered your Open 360 questionnaire to date:

- Log into your FinxS account and select “Open 360” under the ‘Projects’ tab on your dashboard.
- Select the relevant Open 360 project in the column on the left.
- Click the **“People” tab** in the project.
- If this Open 360 project has more than one person being assessed:

Select **“All People”** from the column on the left and a summary page will appear.

- If you would like to view who has answered and who is yet to -
 - Select a name (one of the people being assessed) from the column on the left. A list of the people assessing them, as well as other information, will appear on screen.
- If there is an "X" next to a person's name in this list, under the heading "Completed", they have not completed the questionnaire. If there is a tick, the questionnaire has been completed by that person.
